## FAQs

### ***Do I need to book an appointment in advance?***

Yes, please call on the number given for health checkups to book an appointment.

### ***Do I need to fast before my health checkup?***

Yes, for most health checkup packages, fasting for 8–12 hours is recommended.

### ***How long does the entire process take?***

The entire health checkup generally take a full day from 9am–6 pm. Minor packages take less time.

### ***When will I receive my reports?***

Reports are usually ready on the same day or within 24 hours, depending on the tests included.

### ***What is included in Doctor Consultation?***

History taking, physical examination, evaluation of reports and personalised advice based on individual need.
